

# UPSTATE

UNIVERSITY HOSPITAL  
COMMUNITY CAMPUS

To: Nursing Units – 2E, 2W, 3W, 4E, 5E, 5W  
Hospitalists & Call Room Occupants

From: Jim O'Brien

Subject: HVAC Maintenance  
Monday July 15 02:00 AM

---

There is HVAC maintenance/repair work scheduled for Monday July 15, 02:00 AM – 09:00 AM.

Impacted will be patient rooms on the east and west wings for Floors 2-5. This will include the patient rooms on Nursing Units 2E, 2W, 3W, 4E, 5E, and 5W. Also affected will be the 3E wing including hospitalist offices and provider call rooms.

Not impacted will be corridors, nurse stations and rooms in the center core of each unit. There will be no impact to the Nursery, 6<sup>th</sup> Floor or any areas on the 1<sup>st</sup> floor or Basement level including the ED, OR, Radiology, Lab, Food Services etc.

Should you have concerns during the work period, please contact Plant Operations Work Leader via Vocera or ext. x5668.
