

Emergency Management
Access and Functional Needs Disability
Awareness Training

DESCRIPTION

Niagara University Disability Awareness Training has received a grant from the New York State Developmental Disabilities Planning Council to educate anyone involved in emergency planning, preparedness, response, and recovery as it pertains to individuals with disabilities and access and functional needs. NU has tailored a presentation that identifies the responsibilities of both emergency management personnel and disability advocates during an emergency. This program will introduce the four modules necessary for proper response that include Disability Awareness Training, the Americans with Disabilities Act specific to Emergency management, emergency plan content, and Inclusive Planning and Active Participation.

For accommodations, please call the FR-DAT office at 716-286-7355
