

FEMA Region II Webinar Series

Animal Emergency Preparedness: Planning for Your Pets During Disasters Part II

Wednesday, September 2nd, 2020 from 1 PM– 3 PM ET

Please join the Region II National Preparedness Division for a webinar providing an overview of emergency pet preparedness and how evidence-based practices in animal welfare management can be used to help your pet be both physically and psychologically prepared in the event of a disaster.

Guest speaker, Lindsay Mehrkam, Director of the Human-Animal Wellness Collaboratory at Monmouth University, will present a toolkit that includes federal, regional, and community resources to help reduce the impacts disasters may have on your pets.

Including your pet in your family's disaster preparedness plan is important so that even in a worst case scenario your pet won't get left behind.

Who Should Attend? Pet owners and animal care professionals.
