

# PLANNING FOR MEDICAL SURGE CENTRAL NEW YORK WEBINAR

SPONSORED BY:

A highly relevant webinar for healthcare emergency planners, public health personnel and anyone involved in medical surge planning and response. The workshop will examine planning principles, legal and regulatory requirements, deviation from standards of care, alternate care site planning and operations, scarce resource acquisition and staffing strategies. Lessons learned from the current COVID 19 pandemic will be discussed, including the effect of the virus on skilled nursing facilities.

**When:**

September 23, 2020 from 9:00 a.m. to 12:00 p.m.

**Where:**

Virtual webinar presentation with electronic handouts  
(Link to webinar to follow after registration)
