

Homeland Security Exercise and Evaluation Program (HSEEP) Training (HPP Hospital Deliverable 12)

Background

FEMA and the Department of Homeland Security have made significant changes to the HSEEP materials and guidance in response to feedback from end users, public comment, and the transition from Target Capabilities to Public Health and Healthcare Preparedness Core Capabilities. In 2021, the guidance was updated and streamlined.

Goal

The revised and updated webinar will provide a brief update on the 2021 Homeland Security Exercise and Evaluation Program (HSEEP) planning, evaluation and improvement process for preparedness exercises. The webinar will also discuss what has been updated and modified, and the elements of HSEEP which remain the same.

Target Audience

The target audience for HSEEP training includes:

- Exercise Planning Team Members
- Controllers and Facilitators
- Exercise Evaluators
- State Administrative Agency (SAA) Exercise Program Managers

NYSDOH Faculty

Patricia Anders, M.S., MEP
