

The graphic features a light blue and purple gradient background. On the right side, there are three stylized hands drawn with thick, wavy lines in shades of blue and purple. The hands are positioned as if they are reaching out or holding something together.

**REACH Intensive Workshop**

**October 19<sup>th</sup>, 2024**

**Otesaga Resort, Cooperstown, NY**

**Event: Upstate Mental Health REACH Initiative Fall Intensive Workshop**

**Saturday, October 19, 2024 8 am to 4 pm**

**Location: The Otesaga Resort Hotel, Cooperstown, NY**

**Description: Upstate Mental Health REACH Initiative, funded by the Patrick Lee and Mother Cabrini Foundations, aims to increase the capacity of primary providers (MD, DO, MBBS, NP, PA) in the state of New York to systematically screen, diagnose and treat patients suffering from mild to moderate mental health disorders. The educational program comprises a one-day in-person intensive workshop and ten optional weekly electronic education sessions (1hr) using the Project ECHO platform where providers can join virtually and discuss cases from their practice with our faculty.**

**The next intensive in-person workshop will be held on Saturday, October 19, 2024. The program is FREE for all participants, and the intensive workshop is awarded 6.00 AMA PRA Category 1 Credits™. The number of participants for the intensive workshop is LIMITED, and we strongly encourage early registration. Please reach out with any questions to our Program Coordinator, Rosemarie Earle, at [earler@upstate.edu](mailto:earler@upstate.edu).**
