

Old ChartMaxx vs New Quantum Icon Comparison

Navigator & Completion Application Icons		
Old Icon	New Icon	New Icon Description
 Navigator	 Navigator	Navigator: Application for searching, retrieving, and viewing patient record date and administrative data.
 Completion	 Completion	Completion: Application that allows clinicians to efficiently retrieve charts with deficiencies that have been assigned to them for completion.
Chart & Document Navigation Icons		
Old Icon	New Icon	New Icon Description
		Retrieve: Retrieve charts by basic search, enterprise search, advanced search, my patients, folder search, and import.
		Return Selected Chart/Folder: When tasks are completed, the patient chart(s) are easily returned to the database.
		Add Document: Allows you to create a new text document in a chart.
		Help: Enables access to online help with the application.
		Previous Page: Click to move up through the pages and documents in the same chart. If you are on the first page of a document, <i>Previous Page</i> takes you to the first page of the previous document.
		Next Page: Click to move down through the pages and documents in the same chart. If you are on the last page of a document, <i>Next Page</i> takes you to the first page of the next document.
		Rotate: Click to rotate the scanned image 90° clockwise.

The information contained in this document is confidential.

		Zoom In: Click to inspect a document more closely by enlarging a selected section of the image.
		Zoom Out: Click to decrease the viewing size of the document.
		Fit to Window: Click to position one complete page of the document into the viewing window.
		Find in Page: Click to find key words and phrases in a text document. You can search for key words and phrases only in text documents, not documents that have been scanned. If your key word appears more than once in the document, you may need to click <i>Find Next</i> repeatedly to find all of the occurrences of the key word.
		Print: Click to print if you have permission to print. You can print only the documents in the chart you have permission to print. If you do not have permission to print, the <i>Print</i> button is dimmed.
		Show Details: Click to display information about the document, such as <i>Arrival Date</i> , <i>Source System</i> , <i>Document Owner</i> , and <i>Format</i> . The details are useful for trouble-shooting.
		Grab Page: Click to view the current document in a separate window so that you can see more than one page at a time.
		Bookmark: Click to place a bookmark on the page you are currently viewing. When you bookmark a page, you can quickly return to the page by clicking the bookmark icon that is placed in the <i>Chart TOC</i> .
		Edit: Click to edit or annotate documents.
