New Payor Plan

FYI:

Wellcare of NY has three Medicaid PCP (Prepaid Capitation Plans) products. They are identified on eMedNy (ePaces) as:

- **WC --** Wellcare of NY, Inc   (Mainstream Product/Traditional Medicaid Managed Care)

Assign in Epic as 11402801 (whatever the new plan # is)
When adding new coverage, initiate RTE for Medicaid and create coverage from the response.

- **WN --** Wellcare of NY, Inc   (Long Term Care Product)

Assign in Epic as 11400303 (Medicaid Mgd Long Term Care Generic)
When adding new coverage, initiate RTE for Medicaid and create coverage from the response. Update generic coverage. You must also add traditional Medicaid using override query.

- **YW --** Wellcare of NYM/M   (Medicaid/Medicare Advantage Plan)

Assign in Epic as 11401301 (Wellcare Medicaid Dual)
When adding new coverage, initiate RTE for Medicaid and create coverage from the response.
Please note that a patient covered under a "dual" plan should also have Medicare or a Medicare Advantage Plan
