## Physical Therapy, Occupational Therapy, and Speech Therapy

Changes to Consult Orders

### **Overview of Feature/Changes**

**Effective Wednesday, March 20, 2019:** Physical Therapy [PMR2103], Occupational Therapy [PMR2101], and Speech Therapy [PMR2102] Orders have been updated to improve efficiency in addressing therapy consults and to better triage patient therapy needs.

- Please note the **new required fields** in each order. A cascade of options may appear depending on how the fields are addressed.
- A new qualifier was added to all three orders: **Patient Admitted to 2N, 4E, or TCU**.
