## **Restraints Order Panels**

Ordering Restraints Improved

## **Overview of Feature / Changes**

<u>Effective Monday September 30, 2019</u>, in an effort to improve the search for and ordering of restraints, two new order panels were created.

### **Before**

Prior to the creation of the panels, multiple restraints orders displayed under the Procedures header as shown below.

≊				Order and Order Set Searc	h				_ <b>D</b> X
