Subject: Institution wide change to the URINE DRUGS OF ABUSE QUALITATIVE SCREEN PANEL

In response to changing patterns of drugs being abused, effective September 11th, 2019, Community and Downtown Campuses at Upstate Pathology will now offer two new assays as a part of our urine drugs of abuse qualitative screen panel (Epic Code: LAB2810). The new assay's are **Fentanyl**, **Oxycodone**. Please see the new urine drugs of abuse qualitative screen panel below.

For questions, please feel free to reach us out #315-464-9175.

NEW assay's included in the Drug of abuse screen panel starting September 11th, 2019	
Amphetamine	
Cannabinoids	
Methadone	
Opiates	
Cocaine
