Inpatient and ED Providers

TEG Manager

Viewing Blood Analysis Results

EPIC SYSTEM UPDATE

Overview of Feature / Changes

Effective February 1, 2024: The results of the **TEG6s Blood Analyzer** can be viewed in the **TEG Manager** within EPIC to assist Providers with subsequent treatment decisions.

Accessing the TEG Manager

Searching From the EPIC Button:

- 1. Click the **EPIC button** and *search for TEG*.
- 2. Click TEG Results to access TEG Manager.

TEG Manager – Viewing Blood Analysis Results **TCOE Created**: 01.10.2024 SM*INI **AC Approved**: 01.30.2024 INI **TCOE Revised**: 01.30.2024 SM*INI

Additional Information

Once the search tool has been used to access the TEG Manager, *add it to the main Epic toolbar or pin it to the search list for easy access.*

- 1. Click the **Epic button** in the main Epic toolbar.
- 2. In the Recent section, click the push pin and select "Add to My Toolbar" or "Add to Pinned Items".

Access from the toolbar – it may be necessary to click the **More** option in the main toolbar if the button is not displaying.
