

Before May 13th, complete these steps to save your canvas from your current Smart Office.

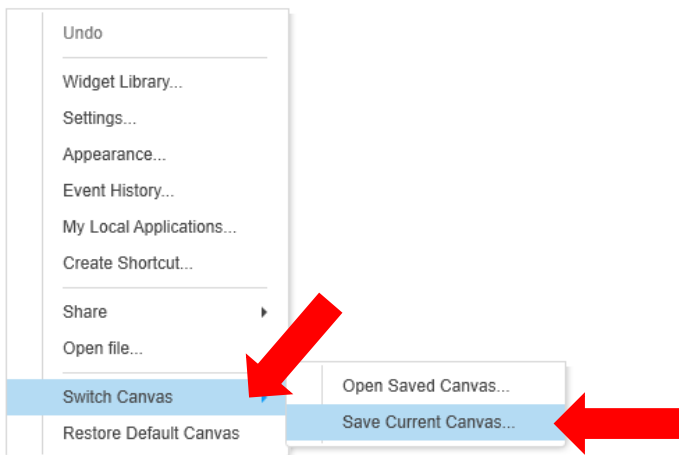

This is an example of what a canvas may look like. Follow the steps below to copy your current Smart Office canvas.

1. Open Smart office

3. On the canvas: Right Click and Select: Switch Canvas-Save Current Canvas

4. Save canvas to the desktop or folder where it can be found to be added after the Lawson upgrade. Please note: The icon will say **InforCanvas when saved.**
