

**June 10th - 12th,
2020**

Copper Mountain Resort

The mission of this conference is to provide an opportunity for MD/PhD students around the country to present their work and interact with other students and prominent scientific investigators. What began as a small meeting in 1986 has grown into a gathering of over 200 students, faculty, and alumni from over 60 academic institutions in the United States and Canada.

Don't miss the PSTP Showcase and Panel!
