

CAMPUS TIPS!

FROM YOUR PAL RAFI WHO LOVES MAPS

Weiskotten

For reference on the map. Also, wander the Health Science Library third floor stacks! Classic way to find the perfect book.

People's Place

Student run coffee shop in the basement of the Hendrick's Interfaith Chapel. Great vibes. Pleasant stroll from Weiskotten for a coffee, and some cozy study spots up the hall.

ESF Green House

Beautiful 4 room green house on the fifth floor of Illick Hall. Generally open to the public 10am-4pm M-F. Also wander Illick to come across duck exhibits, hippo taxidermy, and all sorts of stuff. Might even encounter a wild Raf.

The Dome

Formerly the Carrier Dome, now JMA Wireless Dome. Very fun to catch a football or basketball game, or concert. Certain clubs on campus run event-medicine shadowing that gives a fun back-stage way to see the action. Ask around to get involved.

SU Art Museum

SU Art Museum hosts world class exhibits. Occasional events for exhibit openings. Also the candies at the front desk are delicious!
