Dear Colleagues,
What a summer! It was great to have you all over to Song Lake for the picnic, to meet your significant others, and to see you enjoy the water. It was great to have you over again for the book club—great company and thoughtful discussion. I look forward to meeting with you over the coming weeks for our biannual check-ins.

Summer Updates

Sanaea- Attended the AAMC Learner Summit Conference in D.C. Sanaea says she had a blast and was able to learn a lot more about academic medicine, leadership, and research opportunities, as well as network with lots of other trainees.

Tatiana- Spent summer training at Fort Gordon in Georgia, focusing on how to set up and run hospital combat support.

Jen- Went to a Luke Combs concert plus meet-and-greet with her mom!

Gargi- Earned one of the two best talk awards at a recent conference at Cornell!
