Message from Andrea

Thank-you in advanced for those participating in various events coming up. The fall is busy with our big conference and the interview days.

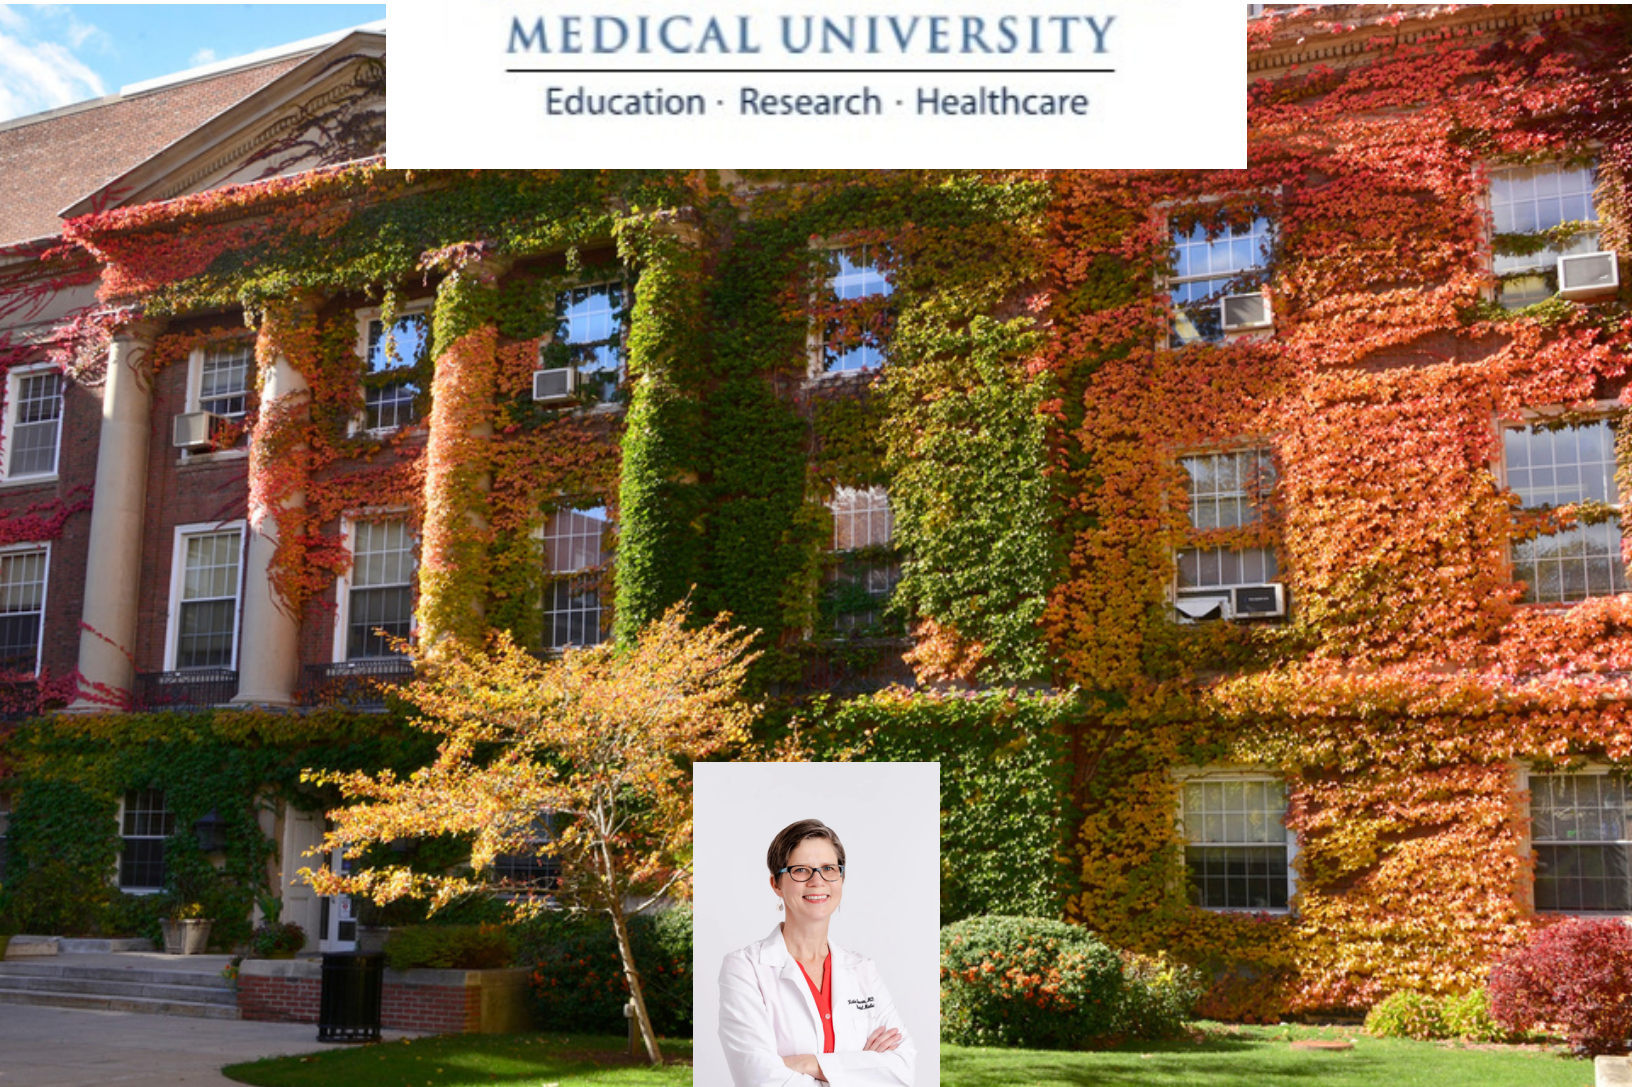

It's been lovely gathering weekly for our family meal and Grand Rounds. I appreciate everyone's effort to attend and all of your continued communication. I can't emphasize enough how meaningful your attendance and feedback is to your colleagues.

SATURDAY, OCTOBER 28TH 2023
UPSTATE MEDICAL UNIVERSITY

TRI-INSTITUTIONAL MD/PHD
CONFERENCE

UPSTATE
MEDICAL UNIVERSITY
Education · Research · Healthcare
