Message from Andrea

Thank-you in advanced to everyone participating in Interview Days and/or our Tri-Institutional MDPHD Conference. October is an eventful month! Please feel free to reach out if you need anything and/or want to check-in. It's always nice just to catch-up. I also want to make you aware that I will be out-of-the-office from Friday, October 6th-Tuesday October 10th for an annual trip that my family and I take to Cape Cod.
