## Message from Amit

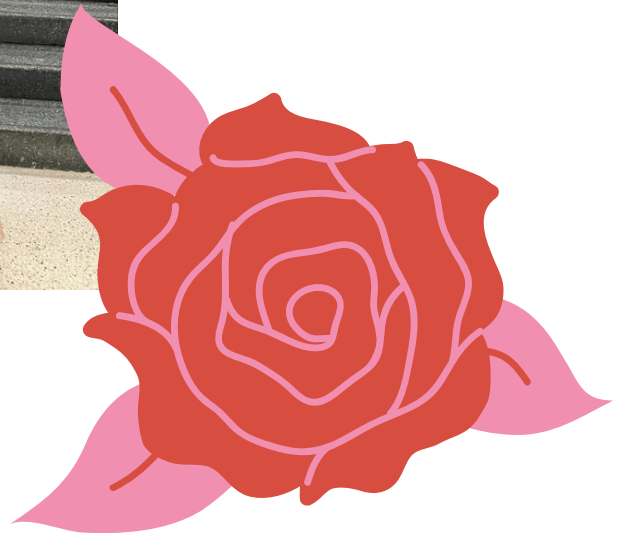

Dear Colleagues,

Thank you all for your participation in Grand Rounds. I appreciate everyone's voice in our family meal. Please reach out if you have suggestions or feedback on how we can make this learning opportunity more meaningful for everyone. I am so sorry that we had to postpone the paint-n-sip event. I am looking forward to seeing you all on 3/7. No ugly sweater required this year. Please bring a friend/significant other. I look forward to meeting with you all over the coming weeks for our check-ins. As a heads up, I am on 'clinical back up' the week of February 5th, which means I may be called in to work if someone is ill. If this is the case, I will have to postpone our meeting. I am hoping that this does not happen. I hope that all of you can join us for grand rounds over the coming weeks as our graduating students present their 'senior capstones.'

Best wishes,  
Amit
