NEWSLETTER
APRIL 2024

Dear Colleagues,

I am really looking forward to spring this year. Over the coming weeks our Grand Rounds cycle will finish up and we are looking forward to hearing your input during our town hall. We will plan for some workshops in the summer so that we have the opportunity to get together and learn. We will say congratulations and goodbye to our graduates in the coming months and congratulations and hello to our incoming MD, PhD students. I am looking forward to our summer picnic and another installment of our book club. As always, please reach out if there is anything that you need.

Best wishes,
Amit

Location: 4709, NRB**

**Maria Ortiz, Wednesday, April 3, 2024; 10:00am
Location: 103 Weiskotten Hall**

**Josh Harris, Thursday April 11, 2024; 2:00pm
Location: Weiskotten Hall 2231/2213**

Summer Volunteer Opportunity Reach One Teach One

What is the Reach One Teach One (R.O.T.O.) @ Zonta House?

A program run for young girls (5-12 y/o) in the Syracuse community
Our role: Run science experiments with our students (experiments change every week)

Where is it?

At the Zonta House: 401 Douglas St, Syracuse, NY 13203 (5 min drive)

How will I get there?

Carpooling and self-transportation options are available!

What is the commitment?

Time is flexible, on-site weekly meetings, over the summer
The curriculum and experiments are all written but can be adjusted

Why should you participate?

The girls love having us there and will brighten up your day.

You will inspire these young people to achieve.

It is a great study break and stress relief.

It's a great way to practice communication skills.

If you are interested in volunteering, please contact Allysa (kemraja@upstate.edu) or Emma Retzlaff (Reztlafe@upstate.edu).
