NEWSLETTER

MAY 2025

Dear Colleagues,

It was a joy to see those of you who could join us for the Town Hall a few days ago. Thank you for the feedback and suggestions on the program.

Two big transitions in the next month. We wish Akshay and Adam farewell as they graduate and start residency. We are so proud of both of them and will miss them dearly. We are also very excited to welcome the incoming MD, PhD students to our community in the next month.

I look forward to seeing you all at the picnic this summer. As always, reach out with any questions or concerns. 315-263-8968.

Best wishes,
Amit

Alumni Update

Dr. Dhamoon reports that Mike is finishing up his intern year at U of R and is doing well!

MD/PhD Program Student Involvement

- MD/PhD Orientation Committee (June 2-6)

Email Andrea and Sanaea if interested - looking for 1-2 student(s) to help this year and take over for next year

- MD/PhD Social Committee

Email Andrea and Kevin if interested - we want more for this committee

- Recruitment Panel/Welcome Committee

Email Andrea if interested in panel- minimal time commitment, recruitment dates occur in the October/November. Email Andrea (cc: Jess and Matty) if interested in joining the Welcome Committee

- SURF Journal Club

Email Andrea if interested- last call for registration is EOD 5/2

- Transition Panels

Email Andrea if interested or have ideas for this!

- New MD/PhD Student Mentorship

Email Andrea ASAP - need availability 6/2, 12-1 PM

- Tri-Institutional Conference

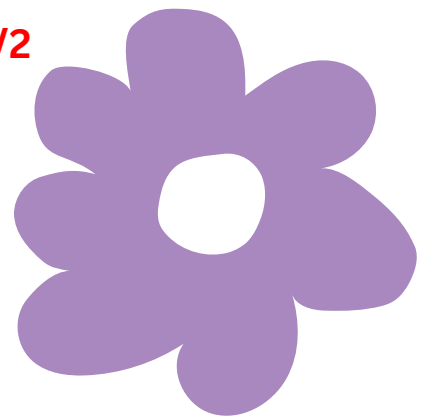

See “Save the Date” above and/or email Andrea/Celine with questions

- MD/PhD Grant Writing Workshop Tutor

Email Andrea if interested

- MD/PhD Alumni Liaison

We don't have anyone doing this currently. Karen Cyndari did this years ago. She built a website that is not longer in use, but I've pulled the information from it before it was deactivated. The effort of one student years ago helped a lot. I am looking for an active MD/PhD student to maintain ties with alumni and organize any outreach dealing with alumni. Please reach out if interested.

Any of these roles are CV worthy! Feel free to create fancy titles for any given role..

Many Congrats!

Upstate students earn SUNY's highest student honor for excellence

Upstate graduates two physician-scientists from rigorous MD/PhD program

Andrea is excited to be the recipient of Upstate's 38th Annual Dearing Writing Award Competition (press and publication coming this fall)
