

APSA PRE-MEDICAL MENTORSHIP PROGRAM

Call for Mentors & Mentees!

The undergraduate and post-baccalaureate mentorship program is one of our most rewarding programs, and we need your help to make it successful.

What? 8-month personalized mentorship program for future physician-scientists with current MD, DO, MD/PhD, and DO/PhD students!

Who? Undergraduate and post-baccalaureate students at any stage.

Time commitment? 30-60 minutes per month online or in-person.

Optional monthly prompts with suggested topics available to guide discussions on APSA website.

Deadline to Apply:
October 5th, 2026

*Apply today as a
mentor or mentee
