

A Whitecoat and Genes: The Life of a Medical Geneticist

Townhall to Discuss Pathways in Genetics and Precision Medicine

Brendan Lee, M.D., Ph.D.
Robert and Janice
McNair Endowed Chair in
Molecular and Human
Genetics

Debra Murray, Ph.D.
Co-Director of Office of
Community Engagement
and Equity and Assistant
Professor of Molecular
and Human Genetics

Lindsay Burrage, M.D. Ph.D.
Assistant Professor of
Molecular and Human
Genetics

Audra N. Iness, M.D., Ph.D.
PGY4, Fellow, Medical
Genetics & Genomics

Aaron Williams, M.D., M.S.
PGY-3, Pediatrics/Medical
Genetics and Genomics
Residency

Emily Strouphauer
M.D. Candidate
Genetics and Genomics
Pathway Student

Thursday, September 12, 2024

5:30-6:30 p.m. CST

Speakers will meet attendees in breakout rooms for Q&A
