

SUMMER TEACHING ASSISTANT FOR MEDSET

Medical Science Education Transition

SUMMER 2025

The **Office of Educational & Career Success** is seeking up to **four** motivated, out-going, dedicated MS1 students to serve as Teaching Assistants for the summer MEDSET: Medical Science Education Transition course.

TAs will be asked to help develop and administer learning support presentations (ex: study skills, time management, test anxiety, etc.), assist with course planning, and serve as a mentor for up to 40 incoming students from the Class of 2029.

This opportunity provides great teaching experience for residency, and gives you additional exposure to topics from your first year that will be helpful as you approach STEP 1.

- Position runs 7-weeks: **June 3 - July 18, 2025**
- TAs will work 20-40 hours per week
- Student Compensation Options:
 - Elective Credit
 - Hourly Pay* (*if available and eligible*)
 - Federal Work Study** (*separate application with Financial Aid*)

Applications due February 28, 2025

Scan QR code to apply. Completed applications, and questions, can be sent to **Hannah Bullington** at **BullingH@upstate.edu**, or stop by **Weiskotten Hall Rm 1213A**.
