

# SEVENTH ANNUAL SPEECH REGIONAL CANCER HEALTH DISPARITY CONFERENCE MAY 15, 2025 - PHILADELPHIA, PA

## CALL FOR ABSTRACTS!

*We are currently seeking abstracts that highlight and advance cancer research in basic, clinical, and population sciences. Students, post-doctoral fellows, and junior faculty are encouraged to submit their work.*

Research areas of priority include, but are not limited to:

- **Basic Science:** molecular cancer mechanisms & genetic approaches in cancer research.
- **Clinical Science:** early detection/screening tools and measures, novel treatment programs and interventions, disparities in cancer clinical trial participation.
- **Population and Behavioral Science:** cancer health disparities, social determinants of health, behavioral, and community-based participatory, population-based cancer prevention programs.

The Synergistic Partnership for Enhancing Excellence in Cancer Health (SPEECH) is a NIH/NCI funded regional comprehensive cancer health disparities partnership between Temple University/Fox Chase Cancer Center and Hunter College (TUFCCC/HC). We invite students, post-doctoral fellows, and junior faculty to submit abstracts for poster presentation. The purpose of this conference is to promote advancements in cancer health disparity research. **The conference will take place on Thursday, May 15, 2025 at Temple University in Philadelphia, PA.**

**PLEASE SUBMIT YOUR ABSTRACT BY APRIL 4, 2025.**

**SCAN TO SUBMIT  
AN ABSTRACT!**
