

The Office of Research for Medical Students

Research Project

Project Title:

Clinical outcomes of Holmium Laser Enucleation of the Prostate

Date of request: 09/12/2025

Contact Information

Full Name: Scott Wiener, MD

Title: ASSOC PROFESSOR HS

Department: Urology

Phone number: 315 464 4473

Office: Commu

Email: wienersc@upstate.edu

Resident? No

Research Project

We maintain a prospective outcomes database for patients who have undergone the Holmium Laser Enucleation of the Prostate (HoLEP) procedure. Numerous publications have come, and will come, from this data set. Ongoing maintenance of the data are required as more cases are performed. The student will have the opportunity to publish out of the database if they contribute to data collection.

Research Location: Remote

Tele-research/remote opportunity? Yes

Will it require students to be physically present in the research location: No

Type of research: Clinical

Summer project? Yes

Long-term project: Yes

Availability required to work on your project(s):

Must enter 10 cases per week minimum

Prior experience or specific skills required to work on your project(s):

Chart review, data entry.
