

Clinical Launch Pad

As of **October 16, 2023**, there will be some improvements to our Clinical Launchpad. These updates and reorganization efforts have been designed to enhance its ease of use. To achieve this, we've removed redundant or underutilized links and thoughtfully arranged the remaining icons in alphabetical order, making it easier for you to navigate and access the tools you need.

Below is a screen shot demonstrating the change:

This site can be accessed through a link on the Upstate IPage. If you have any questions or concerns about this change please reach out via email [here](#).
