MAGNET MATTERS: EXCELLENCE IN NURSING PRACTICE

Now that we have successfully submitted our Magnet document to ANCC, we are awaiting the outcome. This process typically takes 2 to 4 months. While we wait for updates on the status of our Magnet document, we are preparing for next steps which include planning a series of exciting activities to ensure we are ready for the upcoming site visit. Stay tuned for more details! There is so much more to come and hope that you all get involved! We cannot wait to share what's ahead as we continue our journey toward Magnet redesignation!!

Sincerely,
The Magnet Team
