MAGNET MATTERS: EXCELLENCE IN NURSING PRACTICE

Last month, we celebrated Certified Nurses Day! On March 19th, we took a moment to recognize the hard work and dedication of Upstate certified nurses. These professionals go above and beyond to provide outstanding care to their patients. Their advanced knowledge and commitment to excellence truly make a difference in healthcare and in the lives of those they serve. Thank you for your passion, effort, and dedication to improving nursing practice!

Sincerely,
The Magnet Team
