WHAT YOU'LL LEARN

Participants will receive step-by-step guidance through the abstract submission process, including how to translate a successful clinical project, quality improvement initiative, evidence-based practice change, or research study into a clear, compelling conference abstract.

PREPARE YOUR SUCCESSFUL INNOVATIVE IDEAS FOR UPCOMING ABSTRACT OPPORTUNITIES

- ✓ Identify projects with potential for abstract submission
- ✓ Translate **EBP, QI, research, and innovation** into a compelling abstract
- ✓ **Strengthen** your problem, intervention, outcomes, and impact
- ✓ Aligning your work with **nursing excellence** and the Magnet Model
- ✓ Receive **guidance** on developing a conference-ready abstract
