Meeting ID: 384 599 486

Password: ECHO

To join via video conferencing system (i.e. SIP or H.323) please contact Deidre Keefe at keefed@upstate.edu for connection information

If you have any questions or discussion points that you would like addressed during this ECHO session please email them to keefed@upstate.edu. The session will be audio and video recorded. Your participation confirms your consent to this recording/photography. To ensure HIPAA compliance, patient information must remain de-identified for presentation during clinic.

In addition to the educational program, after the session all participants will receive digital and physical copies of materials to help better manage survivorship in office.

This Project ECHO series is supported with funds from Health Research, Inc. and the New York State Department of Health with funds from the CDC.
