TO REGISTER FOR VIRTUAL CONFERENCES: UPSTATE.EDU/STROKE/RUSH2020

VIRTUAL RUSH CONFERENCE SERIES

Learning objectives include:

- Identify risk factors for acute ischemic stroke/ hemorrhagic stroke
- Review updated standards of acute management for stroke
- Review post-acute care therapy modalities
- Review updated guidelines for secondary risk reduction after stroke

Accreditation

SUNY Upstate Medical University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

1.0 contact hours are provided for this educational activity by the Institute for Continuing Nursing Education (ICNE).

Upstate Medical University Institute for Continuing Nursing Education is approved as a provider of nursing continuing professional development by the Northeast Multi-State Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity does not include any content that relates to the products and/or services of a commercial interest that would create a conflict of interest, and there is no commercial support being received for this activity.

The outcome(s) of this course will be to increase knowledge on COVID-19 and how it affects our patient population, with specific emphasis on the cerebrovascular system.

In order to receive credit for this activity, please ensure that you:

- Have signed the roster, and your email is current
- Stay for the entire class
- An electronic evaluation will be emailed to you within 5 business days; You will have 2 weeks to submit your completed evaluation.
- Once your evaluation is submitted, a certificate will then become available to print out.

****Please note that Contact Hours will not be valid until the on-line evaluation is submitted.*
