

UPSTATE COMPREHENSIVE  
STROKE CENTER  
PRESENTS THE  
**REGIONAL UPSTATE STROKE  
AND HEALTH SUMMIT (RUSH)**

# **VIRTUAL RUSH CONFERENCE SERIES**

## **Emergency Medical Service and Stroke: A Ground Perspective**

**Ed Binns, EMT-P, Retired Flight  
Paramedic, current Syracuse EMS  
Manager**

Learn about emergency medical service (EMS) infrastructure, EMS as the backbone of stroke system of care, and the many pre-hospital events before the patient arrives to the ER doors. Hear how stroke care is different in our current COVID times and how EMS has adapted to this change.

## **Rapid Access TIA Clinic: Opportunities or Obstacles**

**Ann M. Leonhardt-Caprio,  
DNP, RN, ANP-BC; Stroke  
Program Coordinator at University  
of Rochester Comprehensive  
Stroke Center**

A discussion about how a Rapid Access TIA Clinic can benefit patients and the healthcare system. Hear how UR Medicine established a Rapid Access Clinic, and what they have learned in over 5 years and 400 patients.
