February 2026

Katie consistently demonstrates going above and beyond! In between functioning as the Clinical Trainer and onboarding several new staff members, she dedicated time to getting 11E magnet ready and actively participating with the birthday planning for the children's hospital. She is committed to the quality and safety by providing teaching and resourcing while being positive. She takes on any challenge and boosts the morale while doing it. She demonstrates being a superhero!

Katie represents UGCH in a positive light. She is dedicated to the care of all patients in the hospital Katie goes above and beyond in ensuring the needs of all patients are met. She always had a smile on her face and an uplifting attitude. Katie's dedication and drive inspires others to work hard to support our community.
